Our teachers told us that being clean helps us to keep _____. Soap and water kills _____.

Read the story below and answer the questions about it in full sentences.

THE HUNGRY GOATS

There lived a mother goat and her four kids. The weather was very hot and there was no grass in the fields. One day, the goats were very hungry. They could not find any grass. They did not have any food to eat. They looked for food through the fields but they did not find any.

The kids cried throughout the day because they were hungry. Mother goat also cried because the kids were crying. She looked around and saw a house near the forest. Mother goat decided to go to the house and ask for food for her kids. At the house she was able

to find some food. The old woman gave her some food. At last all the goats were happy to get food for the day.
