11. Besides practicing crop rotation, give two other ways of controlling crop pests.

i) _____

ii) _____

***** **END** *****

Imagine that your father told you to take the goats to graze, but because you had a lot of homework to do, you forgot to take them. Using your home address, write a letter to your father. Apologise for what has happened. Promise that you will never do such a thing again. Request him to accept your apology. (10 marks)

This image shows a single sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
