

1. Read and answer the questions that follow.

Dear Samantha ,

Please come to my 11th birthday party

On Saturday 4th may

At McDonalds, off Najjera Road, Kira.

We will be going swimming first at the Esella leisure Centre.

We will leave my house at 2 p.m. and be back by 6 p.m.

Please let me know if you can come.

From Amber *Amber*

12 Busibante Road,

Najjera

1. Who is having a birthday party?

2. Where is the birthday party?

6. Where must Samantha be by 2pm?

7. How long will Samantha spent with Amber?

8. How old will Jason be?

2. Read the story below and answer the question that follow in full sentences.

There are many people who use roads as their major type of transport in several African countries. In Uganda, almost each person uses this type of transport because they are average income earners.

The commonly used means on the road are motorcycles aka "Boda Boda". These motorcycles have their own advantages like:

- ✓ They can reach any one's destination
- ✓ Their fare is negotiable
- ✓ They don't delay on the way.
- ✓ They charge passenger's luggage like in taxis and other means of transport.

Motorcycles are good but bad in one way or another because:-

- ✓ Things or unclear people use them as their fats means of transport.
- ✓ They can easily cause injuries to the passenger in case of an accident.

Therefore, the cyclists, passengers, pedestrians and other Uganda ought to pray to God for protection while on a journey and observe the Traffic Highway Code.

Questions:

- a) Why do Ugandans use road transport?

- b) Which country has been mentioned in the passage?

- c) What is the commonly used means of transport in Uganda?

- d) Write only two reasons why people in Uganda treasure motorcycles?
i) _____
ii) _____
- e) Give one reason why you think Robert fears to use a motorcycle to travel.

- f) Why should passengers and pedestrians observe the Highway Code?

- g) Write 'aka' in full.

- h) Write the opposite forms for:
i. advantage - _____
ii. unclear - _____

g) When did the bus start its journey to Kampala?

h) How many towns does this bus travel to?

i) Write the full forms for:

i) Co. _____

ii) a.m. _____

4. Read the poem below and answer the questions that follow.

Susie was a spider,
She wove a silken web,
In high a high, dark corner,
Of Mr. Harpin's shed.

Mr. Harpin didn't mind,
He left her quite alone,
Provided that, into his house,
She'd never, ever roam.

Her eight long legs she put to work,
They were a little hairy,
Scuttling here, scuttling there,
Made Susie rather scary!

Every day she feasted,
On careless flies that flies,
Into her web so sticky,
So Susie grew and grew!

Then from her nest, one summer day,
Came spiderlings galore,
"Oh, no," said Mr. Harpin,

"I don't want any more!"

By Sue and Terry Dillion

1. Where did Susie live?

2. What was her web like?

3. What did Mr. Harpin feel about Susie?

4. Where didn't he want Susie to go?

5. How many legs does a spider have?

6. What did Susie eat?

7. How did she catch her food?

8. What appeared from her nest one day?

9. What line in the poem tells you that Susie was good at catching food?

10. What made Susie so Scary?
