

**KINGS SCHOOLS –KABOWA**  
**FIRST TERM 2020 HOLIDAY PACKAGE SET 2**  
**ENGLISH P.7**

NAME: \_\_\_\_\_

**SECTION A**

**Sub Section I.**

**In each of the questions 1 – 5, fill in the correct word to complete the sentence.**

1. Mr. Mutabingwa wanted to know \_\_\_\_\_ far Kapelebyong was from Moroto.
2. When Jean \_\_\_\_\_ the brakes, the car stopped.
3. You had better use a plane \_\_\_\_\_ you want to reach Russia early for the World Cup finals.
4. We \_\_\_\_\_ eaten by now if Namuleme had cooked the food.
5. Which school \_\_\_\_\_ break up next week for holidays?

**In each of the questions 6 – 15, use the correct form of the word given in brackets**

**to complete the sentence.**

6. She walked slowly to her house but when she reached there she realised she \_\_\_\_\_ the key in the office. (forget)
7. The \_\_\_\_\_ said she was interested in the vacancy at the factory. (apply)
8. The young man said the ball was \_\_\_\_\_ and therefore it should be given to them. (them)
9. The doctor walked \_\_\_\_\_ to the ward to attend to a patient. (hurry)
10. Most pupils could not complete writing the \_\_\_\_\_. (compose)
11. Mother had \_\_\_\_\_ all the clothes she had washed on the wire to dry when suddenly it started raining. (hang)
12. Our neighbour's dog barked so \_\_\_\_\_ that it awoke us. (loud)
13. Batambuze \_\_\_\_\_ going to the market now. (to be)
14. The Sun is not \_\_\_\_\_ to shine today. (like)
15. While the teacher was teaching vocabulary, Phillip was \_\_\_\_\_ a letter. (write)

**In each of the questions 16 and 17, arrange the words in ABC order.**

16. foot note, foot print, footwork, football
17. Computer, compact, common, command

**In each of the questions 18 – 20, give the opposite of the underlined words.**

18. The children were told to write formal letters. \_\_\_\_\_
19. Malcom's regular attendance has helped him to improve his marks.
20. Marita made careful movement when we went for camping. \_\_\_\_\_

**In each of the questions 21 – 23, write the full forms of the given short forms.**

21. pp \_\_\_\_\_ 22. E-mail \_\_\_\_\_
23. UWEC \_\_\_\_\_

**In each of the questions 24 – 26, rewrite the given sentences giving a single word for the underlined group of words.**

24. The people at the church were listening attentively to the priest.
25. Our goats were attacked by a big number of bees.

**In questions 26 and 27, use each of the given words in your own sentences to show**

**that you know the difference in meaning.**

26. brake \_\_\_\_\_
27. break \_\_\_\_\_

**In each of the questions 28 – 30, give the plural of the underlined word.**

28. Which activity did you do during the holiday?
29. Which is the correct address for this letter?
30. We failed to buy the CD for the music festival.

**Sub Section II (20 marks)**

**For questions 31 – 50, rewrite the sentences as instructed in the brackets.**

31. "We must work very hard this term," the candidates said.  
(Begin: The candidates said that.....)
32. I began writing at 7:00 a.m. It is now 10:00 a.m. I am still writing.  
(Re-write using .....for.....)
33. He grew taller and taller. He became thinner and thinner.  
(Re-write using: The.....the.....)
34. It is a long way from Kampala to Busia. (Re-write using.....far.....)
35. In prison, there are some men without teeth. (Re-write ending .....men.)
36. The match began before I blew the whistle. (Re-write and begin: By the time.....)
37. Are you the owner of this book? (Re-write and begin: Does.....)
38. Both a dog and a cat are domestic animals. (Re-write using.....as well as.....)
39. Let's pray, \_\_\_\_\_? (Supply a suitable question tag.)
40. I have as much money as I need to construct a new house.  
(Re-write using .....enough.....)
41. Some candidates are careless. They fail their examinations.  
(Join using.....due to .....)
42. I can do this sum without your help. (Begin: Even if .....)
43. Mweru does not run as fast as Chol. (Re-write ending.....than Mweru.)

44. You will not be punished if you obey school rules.  
(Re-write ending .....disobey school rules)
45. The lion did not see him. It did not kill him. (Join using beginning: If.....)
46. This cow will not recover quickly unless you give it medicine.  
(Re-write using.....only if.....)
47. We shall do our final examinations before the end of this year.  
(Begin: By the end of this year.....)
48. My mother woke up early in order to prepare breakfast. (Re-write using...so that.....)
49. All the candidates come to school early. (Begin: None.....)
50. Better late\_\_\_\_\_ (Complete sensibly)

### **SECTION B:**

51. **Read the passage and answer the questions that follow in full sentences.**

Last Friday we had a debate at school. It was for P.6 and P.7 classes. Mr. Omondo Amos and

Mrs. Akiiki Teddy, the classteachers for P.6 and P.7 respectively, organized the debate. The

motion was; FIRE IS BETTER THAN WATER. The girls of P.6 and P.7 debated against the boys

of P.6 and P.7. The girls supported the motion.

The organisers called all P.7 and P.6 pupils to gather in the school Main hall. We were all

briefed about what was going to take place. The official took up their seats. These included

Mukene, a fat boy from P.7B who was the chairperson, Katono from P.6W was the Secretary.

The classteachers for P.6 and P.7 were the critic and the timekeeper respectively.

The debate started with singing the National Anthem Buganda Kingdom Anthem and Schools

Anthem led by Nantongo, the Music Prefect in the school. The main speakers presented their

views led by Munyenye on the proposers' side. The opposers also presented theirs, one by

oneas led by Othieno Dickson. The floor speakers for the different sides also presented their

views. As this was going on, the secretary was recording the main points for both sides. After

the presentations of the views, the critic and the secretary had a word or two to the members.

The secretary announced that the girls had defeated the boys hands down.

## Questions

- a) What is the passage about?
  - b) Which classes participated in the debate?
  - c) According to the first paragraph, who is the classteacher for Primary Seven?
  - d) Where did the debate take place?
  - e) What was the motion?
  - f) From which class was the chairperson in this debate?
- 
- g) Who was the critic in this debate?
  - h) What was the role of Nantongo during this debate?
  - i) Write another word for 'against' as used in the passage.
- 
- j) Write a word which means the same as "spoke in support of"

**52. Re-arrange the sentences below to form a meaningful story.**

- i) Eventually, Dan got an accident.
- ii) No one minded about replacing the broken parts.
- iii) He decided to repair the bicycle after he had recovered.
- iv) One day, the bicycle totally refused to brake as he was riding.
- v) Every one could use the bicycle to do their activities.
- vi) Dan was the only one who owned a bicycle in his village.
- vii) The repair took him a lot of money.
- viii) He was taken to the hospital for treatment.
- ix) Dan no longer gives his bicycle to any person.
- x) Therefore the bicycle was "over used" without being repaired.

[illegible]

53. **Study the information below which appeared in Rupiny Newspaper of 1<sup>st</sup> May, 2018.**

**and answer questions about it in full sentences.**

**NOTICE**

**NABWERU PARENTS' ACADEMY  
PRESENTS  
MUSIC, DANCE AND DRAMA FESTIVAL**

**VENUE : STRIPES MAINHALL.  
DATE : 15<sup>TH</sup> MAY, 2018.  
TIME : 2:00 P.M – 4:00 P.M  
FEE : FREE !FREE !FREE !**

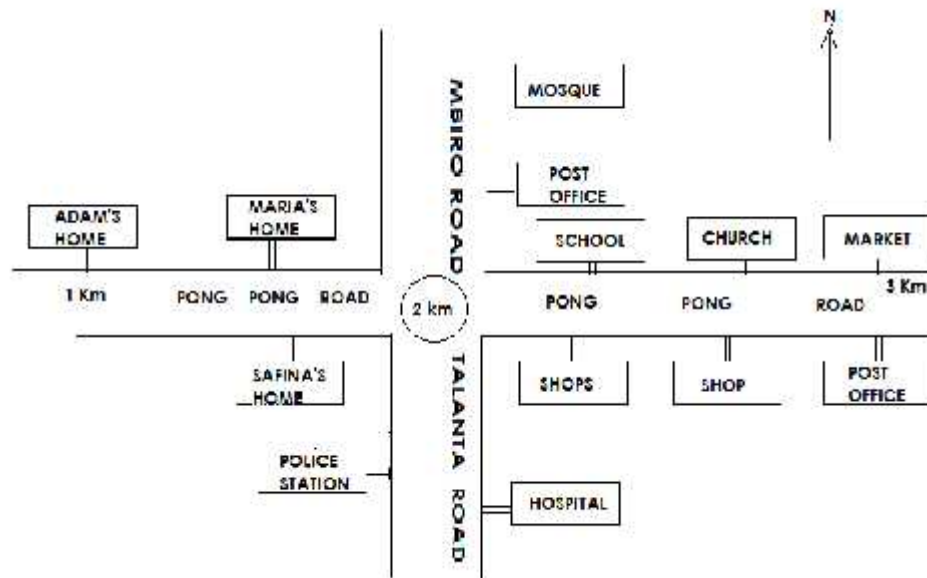

**COME ONE ! COME ALL !**

**KAKEETO JAMAWA  
(HEADTEACHER)  
4<sup>TH</sup> APRIL, 2018**

**Questions**

- a) Where did the information appear?
  - b) What is this information about?
  - c) Which school will present in the festival?
  - d) At what time will the festival begin?
  - e) Where will the festival take place?
  - f) How much money will someone pay for the show?
  - g) Who has been invited for the show?
  - h) When did the show take place?
  - i) When was this notice written?
  - j) Who wrote the notice?
-

54. The map below shows part of Mbiro Village. Study it carefully. Study it carefully and answer the question that follow in full sentences.

### Questions

- What does the map show?
- Which road would Maria take to reach school?
- Which home is opposite Safina's home?
- How far is Adam's home from the market?
- Apart from Talanta and Mbiro roads, which other road is shown on the map?
- On which road is the mosque?
- Which building is after the shops?
- What important buildings are located along Talanta Road?
- In which direction is the post Office from the hospital?
- What building is between the school and the market?

55. Read the passage below and fill in the missing words using the list below:

|       |         |       |          |          |
|-------|---------|-------|----------|----------|
| sneak | found   | fence | captured | beat     |
| for   | planted | into  | animals  | gardener |

Nkulima \_\_\_\_\_ some carrots on a plot near the forest. Since he knew the \_\_\_\_\_ from the forest would eat his carrots, he put a \_\_\_\_\_ Round his garden. However, hare \_\_\_\_\_ a way of getting \_\_\_\_\_ the garden. He would \_\_\_\_\_ into the garden, eat to his fill and then carry some carrots home \_\_\_\_\_ his children and neighbours. The \_\_\_\_\_ made a trap and \_\_\_\_\_ him alive. He got a stick and \_\_\_\_\_ him thoroughly and told him not to do it again.

\*\*\*\*\* *Nice holiday* \*\*\*\*\*

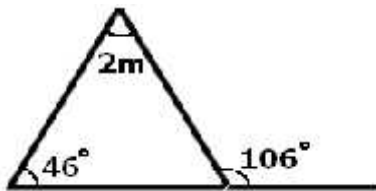

# MATHEMATICS - P.7

---

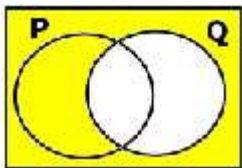

NAME: \_\_\_\_\_

## SECTION A (40 MARKS)

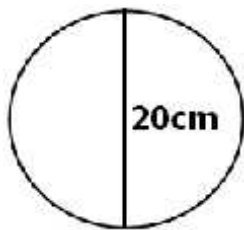

1. **Divide:**  $4 \overline{)36}$
2. Naayo is 27 years old. Express her age in Roman numerals.
3. Find the sum of the next two numbers in the sequence;  
1, 8, 27, 64, \_\_\_\_\_, \_\_\_\_\_
4. **Simplify:**  $4 - 2y = 12$
5. Mercy drove her vehicle from Ntinda to Iganga a distance of 110km in 40 minutes.  
Express her speed in km/hr?
6. Round off 86.04 to the nearest tenths
7. **Simplify:**  $-7 - -4$  using mind maps.
8. Calculate the value of  $m$  in the figure below.

9. A book which was bought at shs. 2500 was later sold at shs.3000/=. Calculate the percentage profit.
10. Use a ruler, pencil and a pair of compasses only, to construct an angle of  $105^\circ$ .
11. The perimeter of a rectangle is 28dm. If the width is 4dm, calculate the length of the rectangle.
12. Describe the shaded region in figure below.

13. Work out the area of a circle whose diameter is 20cm. (Use  $\pi = 3.14$ ).

14. Given that  $x = 4$ ,  $y = 5$ , find the value of  $x^2 + 2y$

15. What number has been expressed in scientific form;  $3.65 \times 10^4$ ?
16. The mean of  $2y$ ,  $(y + 1)$  and  $2$  is  $7$ . Find the value of  $y$ .
17. Express 1:25pm in 24 hour clock.
18. A plane flew from Kasagama to Entebbe Airport on a bearing of  $072^\circ$ . What is the bearing of Kasagama from Entebbe?
19. What is the value of  $3$  in the number  $964.53$ ?
20. Jane has a bundle of five thousand shilling notes numbered consecutively from AP534201 to AP534300. How much money does she have?

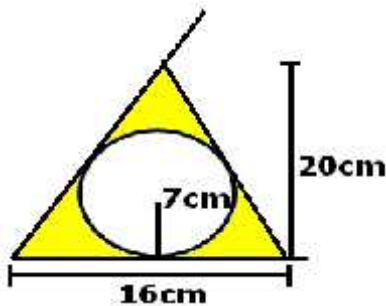

### **SECTION B (60 MARKS)**

21. a) **Simplify:**  $3(3k - 3) - 2(2k - 2)$  (2mks)

b) Solve the inequality and find the solution set of  $q$ .

$5q + 3 \geq 13$  (3mks)

22. Find the area of the shaded part in the figure below. (5mks)

23. The interior angle of a regular polygon is five times its exterior angle. a) Find the size of the exterior angle? (2mks)

b) Calculate the number of sides of the polygon and name it. (3mks)

24. a) **Evaluate:**  $\frac{0.048 \times 1.8}{0.9 \times 0.24}$  (3mks)

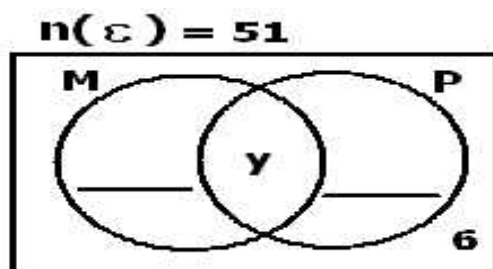

b) **Work out:**  $1\frac{2}{5} \times 3\frac{1}{2} \div 1\frac{1}{2}$  (2mks)

25. a) Given that  $203_w = 21_{ten}$ , calculate for the unknown base  $w$ . (3mks)

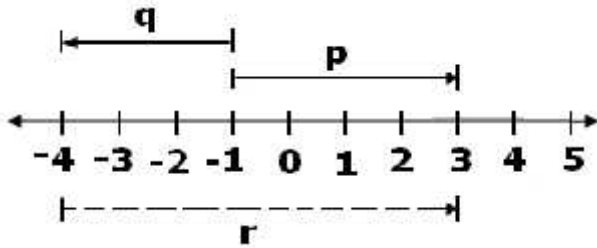

26. b) Convert  $72_{ten}$  to a base three. (2mks)

27. In a class party of 51 pupils, 28 drank Mirinda (M), 29 drank Pepsi (P),  $y$  drank both Mirinda and Pepsi while 6 did not drink any of the two sodas.

a) Use the information above to complete the Venn diagram below. (2mks)

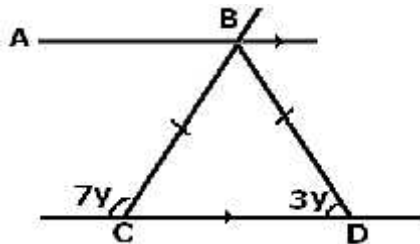

- b) Find the value of  $y$ . (2mks)
- c) Find the number of pupils who drank one type of soda only. (2mks)
28. Kitata went to the supermarket and bought the following items;
- 3kgs of maize flour at shs.2300@
  - 250gms of wheat flour at shs.1200 a kg
  - $2\frac{1}{2}$ kg of sorghum flour at shs.3800
  - 12 packets of curry powder at shs.1100 for every 4 packets.
- a) What was Kitata's total expenditure? (4mks)
- b) If he went back home with a balance of shs.5700, how much money did he have at first?(1mk)
29. **Study the number line below and use it to answer the questions that follow.**

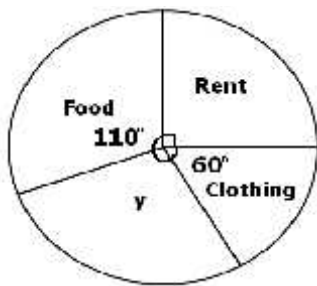

ted by letters. (1mk@)

q \_\_\_\_\_ r \_\_\_\_\_ p \_\_\_\_\_

- b) Write the Mathematical statement shown on the number line above. (1mk)
30. **In the diagram below, line AB is parallel to CD and BCD is an isosceles triangle.**

- a) Find the value of  $y$ . (2mks) b) Work out the size of angle ABC. (2mks)
31. Using a ruler, a pencil, and a pair of compasses only, construct a triangle XYZ such that line  $XY = 7\text{cm}$ , angle  $ZXY = 30^\circ$  and angle  $XYZ = 120^\circ$ . (4mks)
- b) Measure line ZX. (1mk)
32. The pie chart below shows how Matate spends his monthly salary. Study it carefully and answer the questions that follow.

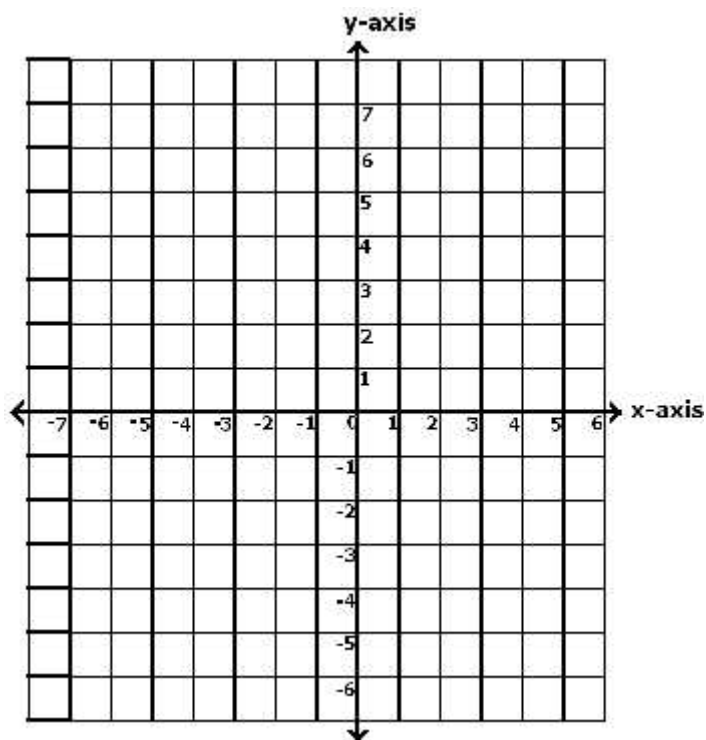

a) Find the value of  $y$ . (2mks)

- b) If he spends 10% of his salary on clothing, how much does he earn per month? (3mks)
- c) Express the angle sector for Rent as a percentage. (1mk)

33. Use the co-ordinate graph below and plot the following co-ordinates.

A(-3, 4)   B(-6, -1)   C(0, -1)   D(3, 4)

(4mks)

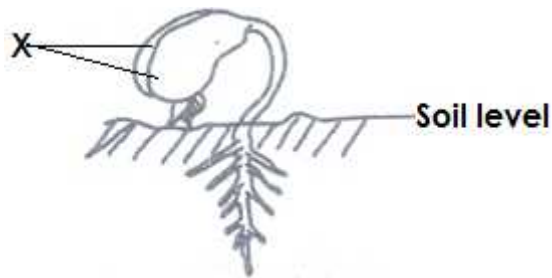

*Nice holiday*

# INTEGRATED SCIENCE – P.7

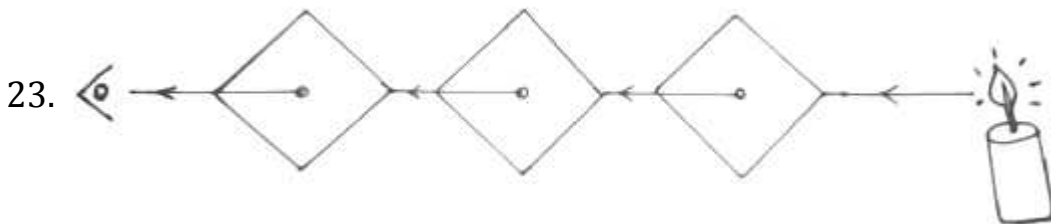

NAME \_\_\_\_\_

## SECTION A (40 Marks)

1. Name the human sense organ for tasting.
  2. Mention the farming practice which starves pests.
  3. Where in the kidneys does re-absorption of water take place?
  4. Why can't sound travel through a vacuum?
  5. Write down one non infectious disease of the lungs.
  6. Why are fossil fuels called non renewable resource.
  7. Apart from shaking to return mercury to the bulb, what else is done to the clinical thermometer before using it on another person?
  8. A bean is a flowering plant but a pine is a non flowering plant. How are the above plants similar?
  9. How does the use of electricity reduce deforestation?
  10. Name the enzyme that acts on uncooked starch in the duodenum.
  11. A part from the beak, what else can be used to determine the type of food a given bird feeds on.
  12. Why should pit latrine be smoked regularly?
  13. Give the danger of food taboos in a community.
- The diagram below shows a germinating seed. Use it to answer questions 14-16.

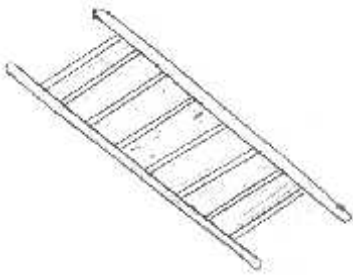

14. What type of germination is shown in the diagram?
15. Give the reason for your answer in question 14 above.
16. State any one use of part X to the germinating seed.
17. State the difference between a **tendon** and **ligament** interms of function.
18. Identify one cause of anti social behaviours among children.
19. Name one vertebrate that uses a shell for protection.
20. Mention one material that used as litter in a poultry house.
21. Where does a cassava plant obtain food when its leaves have fallen off?
22. Which property of light is shown below?

24. Mention one example of a biological change.
25. In which way is a rack (plate stand) useful at home?
26. Give the reason why ventilators are placed above windows in a build.
27. State one way in which friction force is useful to people who make knives.
28. Write down one characteristic of seeds dispersed by animals.
29. Name the vaccine given to girls and women of child bearing age against tetanus.
30. Mention the part of the tooth that enables people to feel pain.
31. Give one way you can improve your vision.
32. Suggest one reason for adding salt to food before eating.

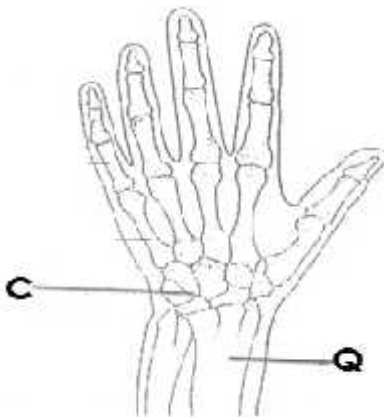

The diagram below shows an item used by First Aiders. Use it to answer questions 33 and 34.

33. Name the First Aid item shown.
34. Give the use of the equipment in giving First Aid.
35. What happens when two naked wires carrying electricity come into contact?
36. In which one way do plants depend on animals?
37. During a thunderstorm, why do we see lightning before we hear thunder?
38. What type of manure is obtained from a rubbish pit?
39. Name the food deficiency disease that leads the bleeding of gums and poor healing of wounds?
40. An object has a **mass** of **200g** and **density 0.5glcc**. Calculate its **volume**.

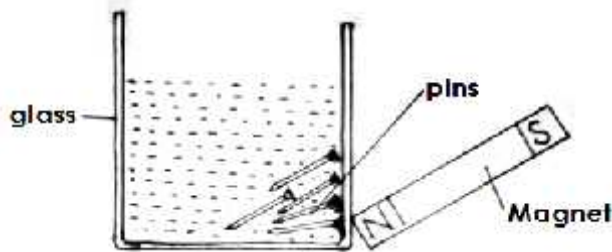

### **SECTION B (60 marks)**

The diagram shows bones of the human arm. Study it and answer questions which follow.

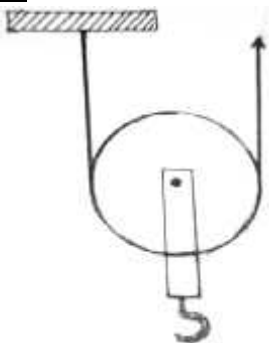

41. a) To which system of the body do the bones shown belong?  
\_\_\_\_\_
- b) What type of movable joint is found at the place labelled C?  
\_\_\_\_\_
- c) Name the bone marked Q  
\_\_\_\_\_
- d) Write down one mineral necessary for the proper formation of bones?
42. a) State two characteristics of mammals which make them different from other vertebrates.

- b) In what way is the spiny ant eater similar to the chicken in terms of reproduction?
- c) How are **primates** different from **other mammals**?
43. a) Why do people keep sheep?  
 b) Give one example of;  
 i) Local breed of sheep \_\_\_\_\_  
 ii) Exotic breed of sheep \_\_\_\_\_
44. a) What causes Bilharziasis?  
 b) State any one sign of Bilharziasis.  
 c) How does a person get infected with Bilharziasis.  
 d) Suggest one way of controlling Bilharziasis.
45. The diagram shows an activity carried out by P.7 pupils.

- a) What happened to the pins as the magnet was moved up and down against the glass.  
 b) What property of magnets is shown by the diagram?  
 c) State any two uses of magnets.
46. a) Mention one process of soil formation.  
 b) Which component of the soil;  
 i) Improves on the fertility of the soil?  
 ii) Makes the largest percentage of the soil?  
 c) How is throwing of polythene in the soil dangerous?
47. a) Identify the system of keeping cattle where by the grazing area is divided into sections using fences.  
 b) Give two advantages of the system you have mentioned above.  
 d) What is the difference between **ecto** parasites and **endo** parasites?
48. a) What is **personal hygiene**?  
 b) List two ways in which you can keep proper personal hygiene.  
 c) Why is it necessary to keep proper personal hygiene?
49. Study the diagram showing a pulley system and answer the questions which follow.

- a) Which pulley system is shown in the diagram?  
 b) How does the system shown make work easy?  
 c) If the **MA** of the pulley above is **2** and the **load** force is **30kgf**, find the value of the effort force.

50. a) By what process does food move along the alimentary canal?  
 b) State the role of each of the following during digestion;  
 i) Enzyme ii) Teeth  
 c) Name the blood vessel which carries blood rich in digested food from the ileum to the liver.
51. Match the blood component in A with their respective functions in B.

|    | <b>A</b>          | <b>B</b>                                     |
|----|-------------------|----------------------------------------------|
| a) | Plasma            | Fight against germs.                         |
| b) | Platelets         | Transports oxygen.                           |
| c) | Red blood cells   | Helps in blood clotting.                     |
| d) | White blood cells | Transports digested food and waste material. |

- a) Plasma  
 b) Platelets  
 c) Red blood cells  
 d) White blood cells
52. a) In which state of matter does heat travel fastest?  
 b) Mention one difference between the **solid** and the **gaseous** states of matter.  
 c) State one effect of heat on matter.  
 d) Why do telephone and electric cables become tight in cold weather?  
The diagram shows the structure of the ear.

53. a) Name the part marked **A**.  
 b) How is the part labelled **B** useful?  
 c) Use an arrow and letter **C** to show the part which collects sound waves.  
 d) Why is it dangerous to push sharp objects in the ear?
54. a) What is **mulching**?  
 b) State one thing that can be used for mulching. c) In what way does mulching;  
 i) improve on soil fertility ii) keep moisture in the soil.
55. a) What is **excretion**?  
 b) State one excretory product from the kidneys.  
 c) Apart from excretion, how else is the kidney useful in the human body?  
 d) How can you keep your kidneys in a good working order?

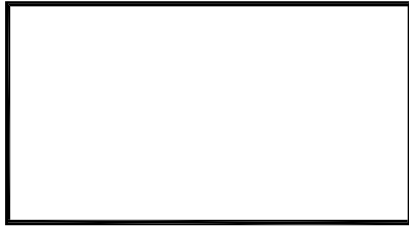

## SOCIAL STUDIES AND R.E - P.7

---

NAME: \_\_\_\_\_

### SECTION A.

1. Why are donkeys kept in some homes?
2. Give one reason why people are not allowed to settle in swamps.
3. How are feeder roads important to farmers?
4. **Draw a map symbol of humps ahead in the space below.**

5. Mention any one economic contribution of missionaries in Uganda.
6. Name the physical feature that joins Red Sea to Mediterranean Sea.
7. How important is the grass planted in the school compound?
8. What is the use of a barometer at a weather station?
9. Give any one benefit of **EAC** to the member states.
10. State any one way the British used to bring some parts of Uganda under their control.
11. Which team was the first runner-up in the just concluded world cup?
12. Which department of police is responsible for controlling demonstrations which are violent?
13. How useful is a community to a school?
14. Of what formation is mountain Cameroon?
15. Name one country in West Africa which was not colonised.
16. Suggest any one reason why the plateau areas of East Africa are densely populated.
17. Why is it important to teach children their culture?
18. To which ethnic group do the Iteso belong?
19. How are voluntary leaders acquired?
20. State any one importance of vegetation to people.
21. Why is it important to treat boys and girls in a home equally?
22. Give one effect of spending money without a budget.
23. State any one disadvantage of an extended family.
24. Mention any one way children's rights are being abused in school today.
25. Give one way Apartheid affected the blacks in the Republic of South Africa.
26. Mention any one cause of the Mau Mau rebellion in Kenya.
27. Give any one factor that has led to the increase in population in Kampala.
28. Why did missionaries introduce cash crops in Uganda?

29. Give one symbol of the East African community which is similar to that of Uganda.
30. Which political party led Uganda to self-rule?
31. How are people living in mountainous areas negatively affected?
32. Why should a country like Uganda carry out population census?
33. How has the existence of tourism benefited the craft industry?
34. Give one reason why the Portuguese were interested in the coast of East Africa.
35. How does the height of land affect the climate of an area?

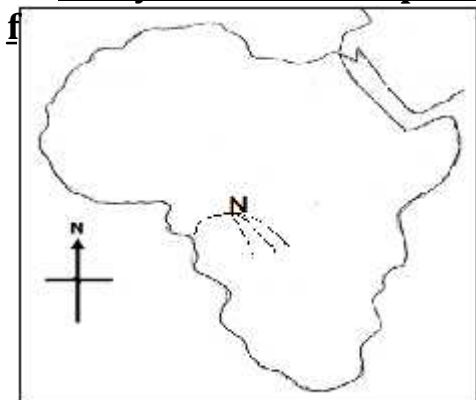

**For questions 36 - 40, answer Either Christianity or Islamic question but not both.**

36. **Either:** Give one way Jesus Christ showed concern for the suffering.  
**Or:** Give one way Prophet Muhammad (PBUH) showed concern for the suffering.
37. **Either:** How was Adam helpful after the completion of creation?  
**Or:** How was Adam helpful after the completion of creation?
38. **Either:** Why is it good for every Christian to give an offertory?  
**Or:** Why is it good for every Muslim to give Zakat?
39. **Either:** Give one duty of the church when a Christian dies.  
**Or:** Give one duty of the Mosque in the area when a Muslim dies. **Either:** Why was King Herod unhappy with the birth of Jesus Christ?  
**Or:** Why were the people of Mecca not happy with Prophet Muhammad?

### **SECTION B.**

40. a) Why was doctor Mungo Park sent to Africa?  
b) Name the organisation which sent the above explorer.  
c) How did Mungo Park meet his death in Africa?  
d) State the reason why West Africa was referred to as "A white man's Grave".
41. a) Name the country in the Horn of Africa which is affected by civil wars.  
b) How have wars affected the people Africa?  
c) In which two ways has the African Union helped countries affected by wars?
42. a) What are resources?  
b) Mention any two ways of conserving land.  
c) Give any one reason why some minerals have not been fully exploited in Uganda.
43. a) How was Uganda's independence process organised?  
b) Who led Uganda to independence?  
c) Mention any two events that took place on 9<sup>th</sup> October 1962 at Kololo air strip.

44. **Study the sketch map of Africa below and answer the questions that**

- a) Name the water body which separates Africa from Europe.
- b) Use letter **P** to show the first colony in Africa.

c) Give two reasons why River marked with letter **N** carries the largest volume of water to the ocean.

45. a) Which nationalist led Tanganyika to independence?
- b) What term was used to refer to Tanganyika after world war one?
- c) Why did Tanganyika get independence earlier than Uganda and Kenya?
- d) Mention the colonial power that granted Tanganyika independence.

46. **Match List A with List B correctly.**

**AB**

- |           |                                           |
|-----------|-------------------------------------------|
| i) UBOS   | - Protects and conserves the environment. |
| ii) UNRA  | - Fights against smuggling of goods.      |
| iii) NEMA | - Gives the population data.              |
| iv) SRPS  | - constructs and repairs roads.           |
47. a) Name the type of farming where a famer grows crops and rears animals.
  - b) State any two advantages of the above mentioned type of farming.
  - c) Why is the above type of farming not commonly practised in East Africa?
  48. a) Give any two reasons why Africans demanded for independence.
  - b) How did Africans demand for independence?
  - c) State any one problem faced during the struggle for independence.
  49. a) What is election?
  - b) State any one type of elections.
  - c) Mention any one value of elections.
  - d) Give any one duty of the Electoral Commission in Uganda.

**For questions 51 to 54, answer Either Christianity or Islam but not both.**
