Last month, we were delighted. Our Debating Club chairperson, Onaba John, informed us that we had honoured an invitation by Little Angle's Primary School, Mbarara. We had been invited to have a debate with them. He told us that the debate was going to take place on Friday, 26th August, 2015 at Little Angel's Primary School. The motion for the debate was "Poverty is the Biggest Source of Evil in Our Societies Today". He told us that we were opposers.

We were happy to get this information since we enjoy debating. We also felt that we had the chance to see long horned cattle in Mbarara. We also thought that defeating them was very easy. This is because they are upcountry children who are not exposed to the Internet.

We started collecting views. We got some information from our teachers, newspapers and the Internet.

On Friday, one week to the date of debate, our patron of the Debating Club called us for a rehearsal. He told us to be very assertive so as to win the debate.

On that day, we reached Little Angle's Primary School at noon. The debate started at 2:00pm and ended at 4:00pm. To our surprise, children were actually as good debaters as we were. When the chairperson of the debate announced the results. They had beaten us by 185 points to 170 points.
