#### SECTION B

51. Sungura read the news on the radio.

Mugisha became worried because he was one of candidates who sat for PLE in 2007.

The minister was happy with the PLE results because most of the candidates had passed and in general mathematics was the best done subject.

The older thinking about mathematic was that the subject was hard.

The minister told the parents to stop the habit of pulling out their children from school.

The minister said that the results were true because the examination had been done without any malpractice.

The minister advised the head teachers to have a high level of discipline in their schools

- (i) custom or regular practice.
- (ii) Cheating, improper, illegal or misconduct
