

KIYALA HIGH SCHOOL

MID-TERM ASSESSMENT TEST 2025

GEOGRAPHY

S.1

Time: 1 Hours: 30mins

INSTRUCTIONS:

- The paper contains *two* items.
- Attempt *all* the items.

Item 1

- a) Define the term environment.
- b) Identify ways you and your family use the environment around your home.
- c) How do the activities you carry out affect the local environment?
- d) Discuss how studying geography may benefit you, your community and country.
- e) Identify the main features of a good map.

Item 2

You have been sent home for first term holidays. During this period, you encounter a relative who interviews you about your school. Among the items of your discussion include providing guidance on the location of your school.

Task

Illustrate the location of your school using a suitable diagram.
