Item 1

Drawing and painting requires use of elements and principles of art which act as a key to the development of a great art work.

Task

As a young artist, explain the use of elements and principles as required from above, materials and tools used in drawing and painting.

Item 2

Understanding the national Environment in art making involves use of three grounds in order to obtain a good art work with the use of materials from the National Environment.

Task

From a talented artist of your level, explain the three grounds used in drawing and painting, the well-arranged colours of the rainbow and steps followed when sketching from the natural environment.

Item 3

A master artist helps young artists like you borrow ideas from a master art work for example a drawing of a shoe is a point of view for young artists.

Task

Through observation pick one of your shoes and make a drawing while observing the elements of line, shape, space and tone.

Item 4
