

MERRYLAND HIGH SCHOOL-ENTEBBE-KINGUGU & KATABI CAMPUS.

S.1 GEOGRAPHY HOLIDAY WORK

Go outside the house and do the following:

1. Observe and draw a sketch diagram of the area. Then name all the things you can see in the area.
2. Draw a table to divide the things you have written into natural things and those made by people.
3. Discuss the way you have classified the things in the table and make some changes where necessary.
4. Share your views on what you understand by the environment.

Study Figure 1.1 below and do the following:

1. In your notebook, write down the natural and human features shown in each photograph.
2. Explain how the human activities carried out in each picture are related to the natural environment.
3. In what ways do you think human activities in each picture affect the natural environment?

(a)
